in how to avoid making art the bestselling author of the artist s way delivers a tongue in cheek guide to doing

anything and everything you possibly can to avoid making art anyone who is engaged in a creative pursuit will no doubt identify with these wonderful cartoons by award winning artist elizabeth cameron of creative wannabes doing everything except actually getting down to work for most people creativity is a serious business says julia cameron they forget the telling phrase the play of ideas and think that they need to knuckle down and work more often the reverse is true they need to play ultimately the characters in this book show us how we can turn our procrastination into play and our play into great work with this delightful volume julia cameron once again hits the nail on the head on the subject of creativity

many people turn to the arts during periods of solitude whether externally or internally imposed they may have a deep seated need a passion to make visual art statements the letters are written to the reader art making companion to inspire the creation of their own artist s book in a blank journal the book itself becomes a companion to the reader various art materials media and methods are written with accompanying art images to stimulate art making with images and words a greater understanding and appreciation of art art composition the handling of various art media and methods of overcoming the blank paper page syndrome consider this artist s book of letters and images as a companion to come back to anytime with no time restraints these letters become a guide to moments hours days weekend retreats or solitude where one can be awarded with alone time to make art

an important book brimming with insight nicholas evans author of the horse whisperer a master craftsperson explores the ways in which working with our hands reveals the essence of both our humanity and our relationship with the natural material world in our present age of computer assisted design mass production and machine precision the traditional skills of the maker or craftsperson are hard to find yet the desire for well made and beautiful objects from the hands and mind of a skilled artisan is just as present today as it ever has been whether the medium they work with is wood metal clay or something else traditional makers are living links to the rich vein of knowledge and skills that defines our common human heritage more than this though many of us harbor a deep and secret yearning to produce something to build or shape to imagine and create our own objects that are imbued not only with beauty and functionality but with a story and in essence a spirit drawn from us nick kary understands this yearning for nearly four decades he has worked on commission to make fine distinctive furniture and cabinets

from wood most of it sourced near his home in the counties of south west england during this time he has been both a teacher and a student one who is fascinated with the philosophy and practice of craft work of all kinds in material kary takes readers along with him to visit some of the places where modern artisans are preserving and in some cases passing on the old craft skills his vivid descriptions and eye for detail make this book a rich and delightful read and the natural and cultural history he imparts along the way provides an important context for understanding our own past and the roots of our industrial society personal engaging and filled with memorable people landscapes and scenes material is a rich celebration of what it means to imagine and create which in the end is the essence of being human and native to a place as kary puts it wood and words trees and people material and ethereal it is here i love increasingly to dwell perfect for fans of the hidden life of trees or norwegian wood material is a rich inspiring read for woodworkers potters craftspeople bibliophiles and anyone who enjoys working with their hands

with 25 fun projects to share with your kids learn the techniques to decorate and craft paper into completed books complete with bindings

sensations of art making triumphs torments and risk taking is an exhibition curated by purnima ruanglertbutr that documents the collection of works by professional artist teachers who are graduates of melbourne university s master of teaching secondary art program the works in this show demand attention by illustrating with sensitivity the triumphs torments and risk taking inherent to professional artistic practice each of these artists is treading the difficult pathway of moving into the world of teaching while retaining their artist identity for some this transition into the classroom is still to come for others they are one two or even three years into lesson planning staff meetings sports days and report writing theirs is the reality of conflict between their art production and being a teacher two seemingly incompatible worlds through participation in this exhibition they are beginning to fashion a mechanism for keeping alive their passion for art while also nurturing a career teaching art to the next generation this exhibition catalogue documents the work of early career visual art educators and insightful commentaries by the artist teachers themselves these are artworks produced during those critical first years after teacher training some exhibits explicitly address the role of art making within the teaching process others purposefully avoid issues to do

with the classroom by illustrating the artists ongoing development of a private professional practice either way these are critical pieces of information in the elusive phenomenon of the artist teacher

profiles the creative processes of thirty five artists who feel compelled to collect a wide variety of found objects which provide inspiration or are incorporated into their mixed media artworks
